

Section 4

Digital Product Definition (DPD)/ Model Based Definition (MBD)
Supplier Terms and Conditions

Supplier shall conform to Boeing document D6-51991 “Quality Assurance Standard for Digital Product Definition at Boeing Suppliers” and obtain CMI approval as DPD-Capable if Supplier receives, downloads, and/or uses DPD geometry in any format.

- If Supplier receives DPD geometry in MBD format, Supplier is required to obtain Certified Manufacturing, Inc. approval as MBD-Capable.
- If Supplier provides DPD geometry to Suppliers sub-tier suppliers in any format, Supplier shall impose Boeing document D6-51991 as a requirement and is responsible for its sub-tier supplier’s conformance.
- If Supplier provides DPD geometry in any format to Supplier’s sub-tier suppliers, Supplier shall comply with all applicable export laws.

Certified Manufacturing, Inc. and/or Certified Manufacturing, Inc.’s customer reserves the right to survey and/or review the supplier’s DPD system to verify effectiveness of the supplier’s documented DPD processes and procedures based on Boeing document D6-51991.
